1. Call to Order & Acknowledgement of Traditional Treaty Lands

Mayor Collier called the meeting to order at 12:33 p.m. and acknowledged traditional treaty lands.

2. Disclosure of Pecuniary Interest

There were no disclosures of pecuniary interest.

3. Opening Remarks / Welcome

Mayor Collier highlighted the important role the Strategic Plan plays in the civic life of the community and noted the achievements resulting from the 2019-2022 Strategic Plan. He further thanked staff in Public and Strategic Affairs for organizing the session and the opportunity before Council to continue delivering on commitments made by individual members of Council for the Ajax community.

4. Council Strategic Planning Session

Natasha Sharma, Diversity and Inclusion Coordinator, provided an overview of the Strategic Planning Session and set expectations for participants. N. Sharma highlighted that the session was intended to serve as a brainstorming session, build upon preparatory work completed by staff in advance of the session and highlighted subsequent opportunities for Council Members to engage in further discussions.

Christie McLardie, Manager of Public and Strategic Affairs, provided a presentation highlighting the process undertaken by staff leading to the Strategic Planning Session and the specific activities undertaken by individual members of the Public and Strategic Affairs (PSA) team and how the resulting plan will be utilized by staff across the organization. C.

DRAFT

McLardie discussed the changes implemented to the process in response to Council Members feedback and input received from the community and staff in advance of the session. C. McLardie identified that the pillars and priorities used to guide the session were drawn from themes which emerged over the course of discussions with individual Members of Council, staff and the public.

Liam Nichols, Grants and Special Initiatives Coordinator, delivered a presentation summarizing preliminary community polling data compiled by Environs on behalf of the Town. Polling focused on municipal issues and included a comparison of data compiled in 2019 and 2023. Council Members posed questions about the polling results and staff responded to questions.

A video montage of Town Directors identifying key operational priorities and challenges was shared with Council Members.

Shane Baker, Chief Administrative Officer, addressed Members of Council and highlighted the significant accomplishments achieved since his tenure with the Town began. S. Baker noted the challenges which faced the Town due to a history of underinvestment in strategic planning guiding the Town's operations. S. Baker spoke of the strong foundation that now exists and the need for the organization to transition and deliver on the strategies now in place. Finally, S. Baker thanked PSA staff for their hard work in bringing the session to fruition and highlighted the ongoing work to modernize systems and processes through the Core Service Review program and activities underway to recruit and retain talent in a competitive labour market.

C. McLardie introduced a brainstorming exercise to ensure that all priorities aligning to the key pillars of the Strategic Plan had been captured. Members of the PSA team and Senior Management Team led Members through the exercise.

N. Sharma introduced participants to the prioritization and confirmation exercise. C. McLardie led Council Members and the Senior Leadership Team through the exercise. Council Members and the Senior Management Team discussed proposed activities and the feasibility of completing such activities within the current term of Council.

5. Closing Remarks

Mayor Collier delivered closing remarks thanking staff and Members of Council for their hard work and commitment to the strategic planning process and communicated next steps for the benefit of Council Members.

S. Baker highlighted the collaborative culture within the Town and the positive working relationship and respect that exists between Council Members and staff. S. Baker thanked Council Members and staff for their contributions.

RE: Organics Management Plan – Next Steps (2023-WR-3) Our File: E08

Council of the Region of Durham, at its meeting held on March 1, 2023, adopted the following recommendations of the Works Committee, as amended:

"A) That Regional Council approve the following requirements to implement the proposed organics management program:

i) Launch an Enhanced Green Bin that adds diapers, personal sanitary products, adult incontinence products, pet waste, pet litter, and any other material deemed processible by the Regional Municipality of Durham to the list of acceptable materials in the Regional Municipality of Durham's Green Bin program; and

iii) To accommodate the requirements of the Food and Organic Waste Policy Statement, Regional Council approve, in principle, the development of a Green Bin program for multi-residential buildings receiving Regional waste collection services.

B) That Regional Council direct staff to amend By-Law #46-2011, A By-Law to Regulate the Provision of Waste Management Services Under the Jurisdiction of the Regional Municipality of Durham, effective July 1, 2024 to reflect the above program changes; and

C) That a copy of Report #2023-WR-3 of the Commissioner of Works be distributed to Local Area Municipalities and the Ontario Ministry of the Environment, Conservation and Parks York-Durham District Office for their information."

Dear Minister Clark:

Re: Housing Pledge for 13, 000 Units by 2031 in Response to Minister's Order

File Number: PG.25-06

At a meeting held on February 27, 2023, the Council of the Municipality of Clarington approved the following Resolution #C-046-23:

That Report PDS-009-23 Housing Pledge for 13,000 Units by 2031 in Response to Minister's Order, and any related delegations and communication items, be received;

That the action items in Report PDS-009-23 (Attachment 1), be endorsed as Clarington's Housing Pledge to support the acceleration of housing supply in Ontario, subject to the following conditions:

a. That the Province and the Durham Region deliver the infrastructure improvements to support the Provincial target of 13,000 units for Clarington by 2031;
b. That the Municipality not be penalized financially or otherwise, for failing to meet the identified as the housing targets are subject to market conditions, supply, labour issues, etc.; and
c. That the Province consults and engages with local municipalities on future legislative changes in order to understand the financial and logistical implications to deliver housing units quickly;

That a copy of this report and Council's resolution be sent to the Honourable Minister Steve Clark, Ministry of Municipal Affairs and Housing by March 1, 2023, and a copy also be sent to the Region of Durham, area municipalities and the AMO; and

That the Mayor be authorized to sign the Clarington Housing Pledge on behalf of Council.

This is in response to your correspondence of January 10, 2023 to Oshawa City Council concerning the above-referenced matter.

At its meeting of February 27, 2023, City Council adopted the following resolution:

> "Whereas the City of Oshawa has provided support of Ukraine and the Ukrainian people during this difficult time of defending their homeland against the Russian invasion; and,
>
> Whereas the Consulate General of Ukraine and Ukrainian Canadian Congress Ontario Provincial Council has requested support through the provision of generators to ease the pressure on Ukraine's electric grid;
>
> Therefore be it resolved that the Council of the City of Oshawa donate ten thousand dollars ($10,000) for the purchase of generators and that the funds be taken from the Inter Government Relations Account; and,
>
> That the Mayor, Members of Council and the Economic Development staff reach out to our businesses and other partners to make them aware of this need and request; and,
>
> That this resolution and related correspondence be sent to the councils of the Region of Durham, Ajax, Brock, Clarington, Pickering, Scugog, Uxbridge and Whitby to ask them to consider similar support".

Re: Notice of Motion - Support for the City of Montreal's motion regarding a TGV in the Quebec-Toronto Corridor

Oshawa City Council considered the above matter at its meeting of February 27, 2023 and adopted the following motion in support of The City of Montreal's motion of February 20, 2023:

> "Whereas the federal government recently made an important decision to modernize the rail network in the Quebec-Toronto corridor; and,
>
> Whereas the federal government is instead aiming for a high-frequency train (TGF) project rather than a high-speed train (TGV) project, which will only slightly reduce the travel time between the major cities located in this corridor and therefore make the project much less attractive to the population; and,
>
> Whereas if Canada wants to significantly reduce its GHG emissions and reach its targets promised to the international community, significant sums will have to be invested in public transit, particularly in rail transportation; and,
>
> Whereas a TGV could make the Montreal-Toronto trip in 2 h 18 min and Montreal-Québec in 1 h 13 min, which would allow real competition with air transport and automobile transport, in terms of efficiency, comfort, and speed; and,
>
> Whereas the population residing in the Quebec-Toronto corridor represents approximately one third of the total population of Canada, which is an ideal population density for the establishment of a TGV system; and,
>
> Whereas the TGV could have enormous leverage effects for the economic and cultural development of the major cities located in this corridor, notably Montreal; and,

…/2

Whereas over the next ten years, Quebec and Ontario alone plan to spend $56 billion on their road network, an amount that represents approximately twice the cost of a TGV between Quebec and Toronto; and,

Whereas Canada is the only G7 country that does not yet have a TGV system;

Therefore, the City of Oshawa be the first to endorse and pledge support for The City of Montreal's motion of February 20th, 2023 (Moved by Craig Sauvé, Conseiller de la Ville du district de Saint-Henri-Est-Petite-Bourgogne-Pointe-Saint-Charles--Griffintown and seconded by Serge Sasseville, Conseiller de la ville du district de Peter-McGill); and,

That a copy of this motion be sent to the Minister of Transport, The Honorable Omar Alghabra; the Minister of Intergovernmental Affairs, Infrastructure and Communities, The Honorable Dominic LeBlanc; as well as to members of the House of Commons; The Prime Minster of Canada; The Premiers of Ontario and Quebec and respective legislatures; La Ville de Montreal, The City of Toronto Council, each Municipality and Region on the Toronto Montreal Rail Corridor, VIA Rail, CN Rail, AMO and FCM".

Subject: Re: North East Pickering Carruthers Creek Watershed – Seeking an Agreement from the Town of Ajax
File: A-1400

The Council of The Corporation of the City of Pickering considered the above matter at a Meeting held on February 27, 2023 and adopted the following resolution:

WHEREAS, Council Resolution 347/20 pertaining to a Request for an MZO for Lands in North East Pickering (Veraine) was amended at the June 29th Meeting of Council to include a new Item 2(b);

And Whereas, amendment Resolution 348/20 directed Staff to include the August Secondary Plan Strategy the ability to implement an interim control By-law prior to any approvals to ensure that the Town of Ajax is satisfied with any matters pertaining to the Watershed on Carruthers Creek;

And Whereas, the direction of the Council has not been acted upon nor have any other options been put forward by the Staff from the City of Pickering to enable an agreement to be entered into with the Town of Ajax on this matter;

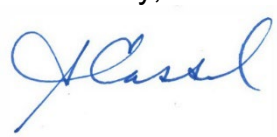

Now therefore be it resolved, that the Council of The Corporation of the City of Pickering requests:

1. The Town of Ajax to advise the City of Pickering if their concerns pertaining to the Watershed on Carruthers Creek have been satisfied and/or if they have entered into any agreement with Dorsay Pickering Limited and/or any other Landowners in North East Pickering as referenced in item 7.10 Correspondence 26-20; and,

2. That a Copy of this resolution be sent to the Town of Ajax, Durham Region and the Minister of Municipal Affairs.

Municipal Housing Targets and Municipal Housing Pledges
File: A-1400

The Council of The Corporation of the City of Pickering considered the above matter at a Meeting held on February 27, 2023 and adopted the following resolution:

1. That Report PLN 04-23 regarding Municipal Housing Targets and Municipal Housing Pledges be received;

2. That Council advise the Honourable Steve Clark, Minister of Municipal Affairs and Housing (MMAH), that Report PLN 04-23, constitutes the City of Pickering's Housing Pledge, as requested in his letter to the City's Clerk, dated October 25, 2022;

3. That Council advise the Honourable Steve Clark, MMAH, that it generally supports the Municipal Housing Target of 13,000 new homes by 2031, established by the Province for the City of Pickering, yet further advises that the City's development approval processes are but one small part of a very complex system that delivers housing to the market;

4. That Council advise Premier Doug Ford and Honourable Steve Clark, of the following:

   a. that it appreciates the Province's recognition of the cumulative cost put on the construction of housing (including rental, affordable ownership and rental, and on attainable (still undefined)), of development charges, community benefits charges, and parkland contributions; and similarly advises

b. that, if the funding for these services and facilities are to be transferred from these municipal charges to the property tax base, that home owners or tenants will bear the increased cost of home ownership, which will also jeopardize housing affordability; and,

c. that the City of Pickering welcomes the Premier's guarantee to keep municipalities financially whole;

5. That Council request the Honourable Steve Clark, MMAH, to obtain similar housing pledge commitments from the building community (through the Building Industry and Land Development Association (BILD)).

6. That Council direct, through the Office of the Chief Administrative Officer, that the following initiative be undertaken:

   a. That the Director, City Development & CBO, in finalizing the first annual City of Pickering Housing Monitoring Report (as required by the Council adopted Pickering Housing Action Plan, 2021, Action 3.7), identify any proposed revisions to the Action Plan that would further assist in meeting the Municipal Housing Targets; and,

7. That a copy of Report PLN 04-23 and Council's resolution thereon be forwarded to Premier Ford, Minister Clark, MMAH, The Honourable Peter Bethlenfalvy, Region of Durham, and area municipalities.

A copy of Report PLN 04-23 is attached for your reference.

Motion Respecting Declarations of Emergency for Homelessness, Mental Health and Opioid Addiction
COM-C 14-2023

Regional Council, at its meeting held on February 23, 2023, passed the following recommendation, as amended, of its Public Health and Social Services Committee:

Whereas Niagara Regional Council acknowledges that the challenges of homelessness, mental health and the opioid crisis are exceptionally complex issues that have a measurable and significantly detrimental impact on the residents of the Niagara region, including the loss of life;

Whereas addressing these issues places extreme stress on upper and lower-tier municipal programs and services, the Niagara Regional Police, Niagara Health, Emergency Medical Services and various non-profit service providers across the region;

Whereas the challenges of homelessness, mental health and opioids have seen a trend of becoming more prevalent in recent years and continue to have a significant impact on the Niagara community;

Whereas Niagara Region, through the staff in Community Services and Public Health, has taken many steps to address these issues with the development and provision of best-practice programming designed to mitigate their impact on the community;

Whereas Niagara Regional Council acknowledges that the challenges of homelessness, mental health and the opioid crisis are intrinsically diverse and should not be viewed as a single monolithic problem;

Whereas addressing these challenges will require strategies and tactics that are specifically designed for each of the unique issues;

Whereas Niagara Region accepts that the responsibility to address these challenges rests with multiple stakeholders, including the provincial government and its agencies;

Whereas 26 Niagara agencies within the Region, including Public Health and Emergency Medical Services, have collaboratively developed a Substance Use Prevention Strategy known as the Opioid Prevention and Education Network of Niagara, and are actively implementing it;

Whereas Niagara Region is a “Built for Zero” community that has accurate and timely data regarding its homeless population and delivers programs and services targeted for strategically helping those individuals experiencing homelessness;

Whereas the challenges of homelessness, mental health and opioid addiction are found throughout the entire province of Ontario and are not unique to Niagara;

Whereas Niagara Regional Council recognizes that municipal emergencies in Ontario are declared by the head of council as per the process detailed in the Emergency Management and Civil Protections Act; and

Whereas Niagara Regional Council acknowledges that the declaration of an emergency does not immediately result in a municipality receiving any additional funds or resources from senior levels of government.

NOW THEREFORE BE IT RESOLVED:

1. That the Regional Chair **BE DIRECTED** to formally issue three separate declarations of emergency, in the areas of homelessness, mental health and opioid addiction, as per the procedure outlined in the Emergency Management and Civil Protection Act;
2. That the Regional Chair **BE DIRECTED** to send correspondence to the Provincial Government requesting that action be taken on the eight measures proposed by the Association of Local Public Health Agencies (as previously endorsed by Regional Council on June 23, 2022), including:
    a. Creation of a multi-sectoral task force to guide the development of a robust provincial opioid response plan that will ensure necessary resourcing, policy change, and health and social system coordination;
    b. Expanding access to evidence informed harm reduction programs and practices including lifting the provincial cap of 21 Consumption and Treatment Service (CTS) Sites, funding Urgent Public Health Needs Sites (UPHNS) and scaling up safer supply options;
    c. Revision of the current CTS model to address the growing trends of opioid poisoning amongst those who are using inhalation methods;
    d. Expanding access to opioid agonist therapy for opioid use disorder through a range of settings (e.g. mobile outreach, primary care, emergency departments, Rapid Access to Addiction Medicine Clinics), and a variety of medication options;

e. Providing a long-term financial commitment to create more affordable and supportive housing for people in need, including people with substance use disorders;

f. Addressing the structural stigma and harms that discriminate against people who use drugs, through provincial support and advocacy to the Federal government to decriminalize personal use and possession of substances and ensure increased investments in health and social services at all levels;

g. Increasing investments in evidence-informed substance use prevention and mental health promotion initiatives that provide foundational support for the health, safety and well-being of individuals, families, and neighbourhoods, beginning from early childhood; and

h. Funding additional and dedicated positions for public health to support the critical coordination and leadership of local opioid and substance abuse strategies;

3. That the Regional Chair **BE DIRECTED** to send correspondence to the Minister of Municipal Affairs and Housing requesting action be taken to correct the funding allocation model for homelessness based on the results of Auditor General's 2021 report which found that provincial funding in this area is incorrect;

4. That the Regional Chair **BE DIRECTED** to send correspondence to the Ministry of Health and the CEO of Ontario Health requesting that the province immediately commit to fully funding gaps in mental health service as have been identified in the Needs Based Planning project by Niagara Ontario Health Team's Mental Health and Addictions Working Group, as well as funding ongoing annual increases as required by inflation and population need;

5. That the Regional Chair **BE DIRECTED** to send correspondence to Federal Minister of Justice and Attorney General, David Lametti, and Federal Minister of Health, Jean-Yves Duclos, reaffirming Regional Council's October 22, 2020 motion urging the Federal government convene a task force to explore the legal regulation and decriminalization of all drugs in Canada;

6. That the Regional Chair **BE DIRECTED** to send correspondence to the Association of Municipalities of Ontario (AMO) requesting that targeted advocacy be conducted in these areas, including the development of a singular motion that can be ratified by municipal councils across Ontario calling on the province to take immediate action;

7. That Niagara Region, through its Public Health and Social Services Committee, **URGE** the federal government to declare homelessness as a humanitarian crisis; and

8. That this motion **BE CIRCULATED** to the local area municipalities, all municipalities in Ontario, the Federation of Canadian Municipalties (FCM), and local MPs and MPPs.

RE: A Call to the Provincial Government to End Homelessness in Ontario
New Business
10. Belleville City Council Meeting, February 27, 2023

This is to advise you that at the Council Meeting of February 27, 2023, the following resolution was approved.

> "WHEREAS the homeless crisis is taking a devastating toll on families and communities, undermining a healthy and prosperous Ontario;
>
> WHEREAS the homelessness crisis is the result of the underinvestment and poor policy choices of successive provincial governments;
>
> WHEREAS homelessness requires a range of housing, social service and health solutions from the provincial government;
>
> WHEREAS homelessness is felt most at the level of local government and the residents that they serve;

../2

WHEREAS municipalities are doing their part, but do not have the jurisdictional resources, capacity or tools to address this complex challenge; and,

WHEREAS leadership and urgent action is needed from the provincial government on an emergency basis to develop, resource, and implement a comprehensive plan to prevent, reduce and ultimately end homelessness in Ontario.

THEREFORE BE IT RESOLVED THAT the City of Belleville calls on the Provincial Government to urgently:

a. Acknowledge that homelessness in Ontario is a social, economic, and health crisis;
b. Commit to ending homelessness in Ontario;
c. Work with AMO and a broad range of community, health, Indigenous and economic partners to develop, resource, and implement an action plan to achieve this goal.

AND FURTHER THAT a copy of this motion be sent to the Premier of Ontario, the Minister of Municipal Affairs and Housing; the Minister of Children, Community and Social Services; the Minister of Health; Minister Todd Smith, MPP Bay of Quinte, Parliamentary Assistant Ric Bresee, MPP Hastings-Lennox and Addington, the Association of Municipalities of Ontario (AMO) and to Ontario Municipal Councils."

Dear Premier Ford:

RE: School Bus Stop Arm Cameras

Pleased be advised that the Council of the Municipality of North Perth passed the following resolution at their regular meeting held March 6, 2023:

Moved by Councillor Rothwell **Seconded by** Councillor Blazek

WHEREAS almost 824,000 students travel in about 16,000 school vehicles every school day in Ontario and according to the Ministry of Transportation's statistics the rate of vehicles blowing by stopped school buses is over 30,000 times every day;

AND WHEREAS the Province of Ontario passed the Safer School Zones Act in 2017 which authorized the use of Automated School Bus Stop Arm Camera Systems to detect incidents where vehicles failed to stop when the school bus was stopped and the stop-arm extended (O. Reg. 424/20);

AND WHEREAS the Association of Municipalities (AMO) working on behalf of all Ontario Municipalities made its submission to the Standing Committee on General Government on May 21, 2019 in support of Administrative Monetary Penalties (AMPs) to be used to collect fine revenue for school bus stop arm infractions and other applications, including Automated Speed Enforcement (ASE) technologies deployed in school and community safety zones;

AND WHEREAS police resources can not be spread any thinner to enforce Highway Traffic Act offences throughout municipalities;

AND WHEREAS the administrative and financial costs to establish the required municipal Administrative Penalty program under the Highway Traffic Act, and its regulations, are substantial and maybe out of reach for small or rural municipalities that have insufficient amounts of traffic to generate the required funds to offset the annual operational costs of a municipal Administrative Penalty program;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Municipality of North Perth urges the Provincial Government to:
a) Require all school buses to have stop arm cameras installed and paid for by the Province for the start of the 2023-2024 school year; and
b) Underwrite the costs for the implementation and on-going annual costs for Administrative Monetary Penalties in small and rural municipalities;

AND FURTHER THAT this resolution be circulated to Premier Doug Ford, Attorney General Doug Downey, Minister of Education Stephen Lecce, Provincial opposition parties, Mathew Rae MPP, AMO and all municipalities in Ontario.

Re: Barriers for Women in Politics

At the Special Council Meeting of March 14, 2023, the Council of the Corporation of the City of Cambridge passed the following Motion:

WHEREAS the City of Cambridge values respect, integrity, equity, inclusivity and service in all areas of life, including politics;

WHEREAS women have historically been underrepresented in politics and continue to face barriers and discrimination in their pursuit of elected office;

WHEREAS misogyny and harassment have been identified as significant challenges for women in politics, both in Canada and around the world;

WHEREAS the City of Cambridge believes that all individuals have the right to participate in a political environment that is free from discrimination, harassment, and misogyny;

THEREFORE, BE IT RESOLVED that the City of Cambridge expresses its support for women in politics and their right to participate in a political environment that is free from misogyny and harassment and where everyone feels equitable;

BE IT FURTHER RESOLVED that the City of Cambridge commits to taking steps to ensure that our political environment is inclusive and welcoming to all individuals, regardless of gender, race, ethnicity, religion, sexual orientation, or other identity factors;

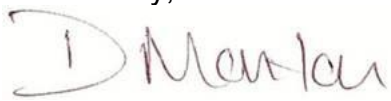

BE IT FURTHER RESOLVED that the City of Cambridge joins the Town of Grimsby in encouraging other municipalities in Ontario and across Canada to join us in supporting women in politics and promoting gender equity in all areas of society;

Town of Ajax Report

Report To:	Council
Prepared By:	Christie McLardie, Manager of Public and Strategic Affairs
Report #:	CAO-2023-05
Subject:	**2022–2026 Strategic Plan (Action26)**
Ward(s):	All
Date of Meeting:	March 27, 2023
Reference:	N/A

Recommendation:

That the 2022–2026 Strategic Plan (Action26) including the framework and action plan (ATT-1) be approved.

Background:

After every municipal election, the Town administration, in consultation with Council and the community, facilitates the development of a corporate strategic plan for the new term of Council.

Regular strategic planning exercises offer the opportunity to confirm focus areas and priorities, and identify actions to achieve them based on the changing needs of the corporation, community and economy. As an overarching and living document, the corporate strategic plan provides high-level direction to the administration to shape departmental workplans and budget requests over the term of Council.

The 2022-2026 Strategic Plan will be the sixth plan the Town has developed since the early 2000s. Contrary to previous strategic plan undertakings, the process for the 2022-2026 term was accelerated to present a final draft plan in the first quarter of 2023. This was done to enable staff to begin implementing actions immediately to advance key priorities. Council expressed their desire and eagerness to continue with the implementation of recommendations set out in business plans and studies that were completed and approved in the previous term (2018-2022).

The remainder of the report outlines the 2022-2026 strategic planning process, and the final framework and action plan for the term.

Discussion:

What is Action26?

In late January, the Town launched *Action26*, an eight-week planning process, to develop a dynamic strategic plan featuring a series of focused priorities and actions to guide Council's

decision-making over the next four years. The process for undertaking the corporate strategic plan engaged Council, staff and the community, and included the following phases:

- Background Review (January)
- Engagement (February)
- Development (February – March)
- Validation and Approval (March)

To bring awareness and attention to the abbreviated process, the Town reshaped the standard corporate strategic plan brand, renaming it to Action26 and creating a signature design for the term. The Action26 branding was intentional and inspired by the brushstroke. The Town's Communications & Engagement team used the brushstroke inspiration and research surrounding the significance of brushstrokes (see below) to develop a vibrant, bright and engaging colour palette while being fully accessible for digital and traditional print mediums.

> *"Just like a strategic plan, the brushstroke is used by creators to convey intent, energy and interest in their work. The use of the brushstroke in Action26 symbolizes the Town's instinctive sensibilities toward advancing actions for the betterment of the community. It is the reflection of the Town's desires, a trace of our efforts and the production of our uniqueness. Similarly, to the strategic plan, brushstrokes are used to bring out specific characteristics. For example, the use of firm edges depict sharp intentions such as the Town's priorities while soft edges may deal with sensitivities and particular actions of the strategic plan. The visible brushstrokes speak to the intent and confidence of the Town's final vision and delivering a message that is bold and deliberate."*

Consultation Summary

Virtual Engagement Sessions

Residents were asked to share their input of what should be in the strategic plan during six interactive virtual engagement sessions. Ninety-eight individuals registered across the six sessions, which were offered by ward, while individual meetings were held for the Town's Age-Friendly Ajax Steering Committee, Youth Engagement Advisory Committee, and local accessibility champions. Members of Council were active participants in the ward sessions, while attendees answered poll questions and took part in a Q&A. Several themes emerged as the Town collected input on what should be prioritized over the next four years, including community safety, connection and engagement, and the protection of our environment. Feedback and suggestions collected during the virtual engagement sessions were used to inform the draft actions that were considered by Council and staff.

Opening Exercise

An opening exercise was created to enhance the consultation process by collecting feedback directly from the community that may not have participated in the virtual engagement sessions. The exercise, which was open for three weeks, included four sections and incorporated the SWOT technique to determine the Town's Strengths, Weaknesses, Opportunities and Threats. Each section included a main question and narrower questions to help respondents brainstorm ideas and feedback.

More than 120 exercises were completed, resulting in 500-plus comments for consideration. Every respondent has been entered into a draw to win a rain carrel (one per ward). The draw will take place on April 1. A further 30 exercises, resulting in another 120 logged comments, were completed by staff.

These comments and responses to the SWOT analysis provided staff with additional information during the development stage of the plan.

Opening Exercise Questions

What are the Town's strengths?	What are we doing well? What can we build on? What qualities separate us from other municipalities?
What are the Town's weaknesses?	What disadvantages do we face? What areas do other municipalities do better than us? What changes or investments could we make to improve?
What opportunities exist?	How can we turn our strengths and weaknesses into opportunities? What emerging trends or forces may result in improvements? What can we do today that isn't being done (untapped potential)?
What threats exist?	What obstacles/challenges do we face? What new policies/legislation might impact us, and why? Are there any weaknesses that could prevent us from meeting our goals?

Customer Polling

In January, the Town contracted Environics Research Inc. (Environics) to conduct a Citizen Engagement and Satisfaction Survey. Environics has historically conducted polling for the Town and was able to leverage those past results to benchmark data year-over-year and identify trends over time. Approximately 600 residents participated in the survey, conducted from February 15 to March 4. Residents were asked about satisfaction with Town services, areas of concern, service delivery, perceptions of the Town, contact with the Town, communications, community safety, and special topics, such as our waterfront. Preliminary results were provided to the senior management team and Council to provide complementary, high-level context to their deliberations for the strategic plan. A final report will be provided to Council in the Spring.

Council and Senior Management Team Session

A Special Meeting of Council was held on February 28 to reconfirm the strategic plan framework, and identify priorities and supporting actions for the new term. Council was provided with draft priorities and actions under each thematic pillar to review and provide feedback. Members had the opportunity to remove as well as provide and discuss new items. In addition, Council and senior management were given the opportunity to voice their agreements and/or concerns about the importance and feasibility of each priority and action in the strategic plan.

Management Session

Following the special meeting of Council, the Town's department heads, managers and select supervisors gathered for a half-day, intensive review session of the draft plan and its anticipated outcomes.

Approximately 40 members of the Town's management team participated in two breakout sessions. The first session mixed departments together and asked groups to identify corporate opportunities and challenges throughout the draft plan, and to identify synergies between departments. The second session united the departments to ensure the full gamut of their workplans was reflected in the plan, and that a realistic timeline for achieving the actions was identified.

The session was very positive and was a key piece of readying the plan for approval. It was also the first time the Town's full management team had been together in three years since the pandemic to discuss the future and strategic direction of the corporation.

Draft 2022-2026 Strategic Plan (Action26) Framework

The draft 2022-2026 Strategic Plan (Action26) Framework includes a community promise, three thematic pillars and 13 priorities. The consistency and overlap of the promise, pillars and some of the priorities from the 2018-2022 plan highlights Council's stability and commitment to ensuring the Town remains connected and prosperous.

The supporting actions to achieve the 13 priorities are outlined in Appendix 1 – Internal Action Plan.

Action26 Implementation Plan

Through the strategic plan process, a significant 156 actions have been identified to support the advancement of Council's priorities. The successful completion of these actions will depend on competing/new projects, timing, resources and funding available to carry them out.

Approximately 53 actions are ongoing and 92 are slated to be completed by the end of 2024. The remaining actions will be re-assessed at the Council mid-term session to confirm need and completion dates.

The full listing of actions is included in Appendix 1 – Internal Action Plan. The listing is intended to be changeable to respond to pressing circumstances and priorities of the time. The plan is updated regularly as changes are noted formally throughout the process.

Financial Implications:

There are no financial implications related to the recommendations in this report.

Communication Issues:

Upon approval of the 2022–2026 Strategic Plan, an Action26 plan will be produced and posted on the Town's website.

Yearly progress reports will be presented to Council to communicate updates and achieved/completed actions.

A Council mid-term session will be held at the end of 2024 to reassess actions for the remainder of the term and confirm completion dates.

Relationship to the Strategic Plan:

2022-2026 Strategic Plan (Action26)

Conclusion:

Council can be proud of the ambitious and concrete plan it's assembled for the coming term. Action26 will serve as a foundational guide and roadmap for Council and staff to connect, grow and modernize our community over the next four years. Throughout the Action26 cycle, the Town will offer various interactive engagement opportunities to seek community and stakeholder input and communicate successes.

Town of Ajax Report

Report To:	Council
Prepared By:	Natasha Sharma, Diversity & Inclusion Coordinator
Report #:	CAO-2023-06
Subject:	Ajax Anti-Black Racism Taskforce Update
Ward(s):	ALL
Date of Meeting:	March 27, 2023
Reference:	June 29, 2020 – Council Motion Ajax Anti-Black Racism Congress

---

Recommendation:

That Council approves Option 1: Rescope and Renew, as outlined in this report.

Background:

In June 2020, Ajax Council took time to inform and educate themselves on the Black Lives Matter movement and systemic racism. As a result, on June 29, 2020, Ajax Council unanimously voted to support the creation of an Anti-Black Racism Task Force (AABR Task Force) until the end of the 2022 term. The Diversity and Inclusion Coordinator was responsible for being the staff liaison to the AABR Task Force.

A five-person nominating committee was created and tasked with establishing the AABR Task Force. The nominating committee was responsible for completing the terms of reference, attracting membership, screening applications, and appointing members.

In September 2020, the AABR Task Force was formed, and a work plan was created detailing short and long-term goals. The mission of the AABR Task Force was to work toward making recommendations for sustainable action to dismantle systemic and institutional racist policies, practices, and procedures that negatively impact Black people and other racialized communities in the Town.

From September 2020 to November 2022, the AABR Task Force has effectively navigated numerous team meetings throughout the pandemic while collaborating and implementing meaningful support and programs such as endorsing the Durham Regional Police Services body-worn cameras program, the five-part virtual Diversity XChange speaker series focusing on topics such as Black excellence, understanding racism, navigating the education system, demystifying mental health, and goal setting for success as well as implementing the Ajax Black owned business directory. The AABR Task Force has also brought forward education to Council and the community on the importance of the United Nations Declaration of the Decade of People of African Descent by collaborating with artist Robert Small to create diverse artwork for the town depicting African and Caribbean heritage that lives in Town Hall and all of the Town's recreation centers.

Discussion:

Ajax Anti-Black Racism Member Feedback:

At the end of the 2022 term, each AABR Task Force member was given the opportunity to provide feedback about their experience on the Task Force. The following is a synopsis of their comments and feedback:

When members were asked what they enjoyed most – the majority communicated that they enjoyed implementing meaningful changes during a precarious time in their town.

When asked what they thought were some challenges – many members voiced that they disagreed with the formation and selection of leadership positions; they felt that there was a lack of meaningful participation from everyone in the group and the turnover from some of the earlier members created tensions which was not a positive use of time.

When asked to rate how successful they thought the Task Force was on a scale of one to five; one being very unsuccessful and five being very successful – all members voiced that they felt the Task Force was ranked between a four to five; indicating that the Task Force was overall successful at instilling meaningful change toward combating anti-Black racism as well as providing opportunities for public education and awareness.

When asked how the Task Force can improve and whether it would be progressive to broaden the mandate of the Task Force to reflect other underrepresented communities – the members had mixed perspectives. Some indicated following a process such as the Durham Region Anti-Racism Taskforce, while others communicated that the racial issues faced by the Black community are different. They feel that elements for some collaboration may exist with other communities in Ajax, and the terms of reference can be modified to reflect this.

Diversity and Inclusion (D&I) Coordinator's Observations:

The 2021 federal census data reflect Ajax's significant ongoing demographic changes, with a racialized majority of sixty-five percent, with the three largest racialized populations being South Asian, Black and Asian. It is crucial to acknowledge the Town's growing diverse population in relation to improving cultural competency in society. Research has proven that embracing diversity and inclusion will improve the balance of opinions and views. Inclusive community representation will encourage the acceptance of differing opinions and reduce fears of differences among communities that perpetuate hate, discrimination, racism, and micro-aggressions. In addition, over the past two years, following the Black Lives Matter movement, there has been a multitude of social justice uprisings such as anti-Asian hate, Indigenous rights, truth and reconciliation reparations, antisemitism, 2SLGBTQIA+ hate, anti-Islamophobia, and many more.

Although the AABR Task Force's terms of reference detail that the mission of the Task Force was to work toward making recommendations for sustainable action to dismantle systemic and racist policies, practices, and procedures that negatively impact Black people *and other racialized communities in the Town*; the Task Force focused on enacting research, programming, and approaches toward anti-Black racism throughout the past two years.

The makeup of the Task Force was formed with fifteen members who are all Black residents of Ajax with a wide range of experiences and realities. While all members had the best intentions and each had their own lived experiences with racism, discrimination, and hate, once the Task Force was launched, many members withdrew their participation as it was a conflict of interest

to use their business as a possible vendor for town training. Additionally, some members felt uncomfortable or disagreed with the leadership and the flow of the monthly and sub-group meetings. As a result, the final make-up of the Task Force was eleven members.

Once the overall synergies of the group aligned with the remaining eleven members, group cooperation began to flow effectively. Goals from the work plan were successfully initiated and implemented, but encouraging the group to collaborate with other racialized communities to reflect the persistent and shifting anti-racism realities proved challenging.

Thank you to Mariska Thomas (Chair), Dane Lawrence (Vice-Chair), Pauline Vassell (Secretary/Treasurer), Camille Perry, Danielle James, Keirah VanDusan, Kevin Veineer, Monica Edwards, Sonia Ellis-Seguin, Sammy Njobo, Fabian Dehaney, and Mayor Collier for their direction, collaboration, and hard work. Thank you, Council, for your support and forward-thinking in championing a stand-alone committee to operate during such a precarious and crucial time in history.

Municipal Scan

Over the past few years, other municipalities have also created committees to address anti-racism in their communities.

For example, in 2021, The Durham Region Anti-Racism Task Force (DRART) was established to maintain a consistent approach to addressing systemic racism. DRART adopts a model where working groups are identified to address disparities in racialized communities. Given the anti-Black and anti-Indigenous social uprising in 2020-2021, the group initially focused on these areas. Over time, these focuses can shift, and various programming will be created collaboratively among communities.

The City of Barrie has also created an Anti-Racism Task Force with a mandate to promote a more substantial, more positive understanding and representation of their city's racialized populations. This is done through actively collaborating with educational systems, police services, health services, and various community groups and organizations.

The Town of Aurora has taken a slightly different approach to address anti-racism. In the 2018-2022 Term of Council, an Anti-Black Racism and Anti-Racism Task Force was formed. This Task Force aims to develop strategies to eliminate racism and promote anti-racism in the Town of Aurora and the York Region. This Task Force also sets out to identify real actionable change with the common goal of helping to remove systemic racism. The name of this particular Task Force is a primary example of the general apprehension to determine an inclusive title of an anti-racism committee in the present society that values the diversity of the community they serve.

It is essential to recognize that as the population grows and diversifies, the need for social and cultural competency increases. Acknowledging that intersectionality is a concept we should embrace as a community does not detract from the serious issues and divisions among communities that anti-racism creates. Instead, it highlights different societies' unique perspectives and lived experiences with discrimination and racism.

D&I Coordinator's Recommendations for Council Consideration:

Option 1: Rescope and Rename

That Council direct staff to rescope and rename the existing mandate and makeup of the Ajax Anti-Black Racism Task Force to reflect and engage the Town's growing diverse community. Create an Anti-Racism Task Force, mirroring a similar mandate created by the Durham Region Anti-Racism Task Force. The D&I coordinator remains the staff liaison, and the Mayor or designate continues to represent Council on the committee. That staff be directed to create a new terms of reference and establish a new committee by the end of June 2023.

Option 2: Renew with updated Terms of Reference

That Council directs staff to review and update the existing AABR Task Force terms of reference and leadership to ensure that the current committee remains named the Ajax Anti-Black Racism Task Force. At the same time, all members are directed to collaborate with other racialized communities and organizations to address, dismantle and raise awareness about all forms of anti-racism, discrimination, and hate in the Town.

Option 3: Dissolve

That Council observe that the AABR Task Force was initiated in 2020 by Council to reflect the Black Lives Matter movement and to work toward dismantling anti-Black racism in the Town and that the direction of the Task Force was to operate for the two remaining years of the term until the end of 2022 and should be dissolved.

Financial Implications:

Monetary compensation for each committee member.

Communication Issues:

N/A

Relationship to the Strategic Plan:

Focus Area: Connecting Our Community.

Goal: Creating a more engaged community.

Action: Creating an inclusive committee to help address anti-racism in the community.

Conclusion:

The AABR Task Force has spent the last two years solely and rightfully dedicated to anti-Black racism awareness and issues during a time of deeply rooted systemic injustice that continues to be experienced by the Black and other racialized communities. They have created and completed meaningful work and produced a list of short and long-term recommendations for the Town.

Over the past couple of years, the impacts of social injustice and systemic and institutionalized racism have been at the forefront of cultural diversity. There have been many social justice uprisings, such as anti-Black racism, anti-Asian hate, Indigenous rights, truth and reconciliation reparations, antisemitism, 2SLGBTQIA+ hate, anti-Islamophobia, and many more. Organizations continue to create committees to address anti-racism in all forms and provide education as well as programs toward dismantling perpetuated racism.

The D&I Coordinator recommends that for the long-term success of addressing discrimination and anti-racism in the Town, creating a committee with an inclusive mandate which accepts and reflects the Town's growing diversity is essential. Understand that broadening the makeup of a new Task Force does not take away from the continuous work toward anti-Black racism. Instead, it provides a platform to address the ongoing anti-racism experienced by all diverse communities inclusively and champions collaboration toward systemic racism. This creates a platform and safe space for teamwork between communities working toward similar goals and the success of a Task Force long-term.

Town of Ajax Report

Report To:	Council
Prepared By:	Robert Gruber Manager, Community & Cultural Development
Report #:	RC-2023-01
Subject:	**Contract Award – 3D Ajax Letters Signature Sign**
Ward(s):	ALL
Date of Meeting:	March 27, 2023
Reference:	Unbudgeted Capital Account #1039811

Recommendation:

1. **That Council award the contract for the 3D Ajax Letters Signature Sign to FASTSIGNS of Durham – Ajax/Whitby in the estimated amount of $232,721.43 (inclusive of all taxes).**

2. **That Council approve funding of $80,530.16 to be allocated to Capital Account No. 1039811 from Capital Contingency Reserve.**

Background:

In recent years, there has been a desire by Ajax Council to engage in placemaking opportunities as a means to increase civic engagement, while expanding opportunities for tourism within Ajax. One of the more popular placemaking trends for many municipalities today, including Toronto, Ottawa, Hamilton, Pickering, and others, is the installation of oversized signs spelling out the municipality's name. Not only do these letter-based public art installations attract visitors, encouraging photographs and "Instagramable" moments, they also provide engagement opportunities for residents, boosting their love and civic pride for their own hometown.

In May 2022, staff submitted an application to the Tourism Relief Grant for several projects including a $200,000 request for the design, engineering, fabrication and installation of a large format, signature sign featuring illuminated 3D letters. In the Fall of 2022, staff were successful in obtaining funding through this funding stream to complete several projects, with $150,000 of the grant being allocated for the creation and installation of a 3D Ajax Letters Signature Sign at Pat Bayly Square. Pat Bayly Square was chosen as the location for the letters, as it has quickly become an active outdoor civic space featuring summer concerts and children's performances, winter skating, and features such as the memorial to the women war workers of Defence Industries Limited, the bust of the Square's namesake, Pat Bayly, and a timeline mural of the history of Ajax, all of which provide the public with important information on the Town's history. Further development, along with dedicated placemaking opportunities such as this, will contribute to the continued growth of Pat Bayly Square as a civic destination point.

Discussion:

The proposed sign is based on design elements of the City of Hamilton's signature sign. Through research and review completed by staff, this design was found to be by far the most unique in its design and usability. There are, however, some additional options that will be included with the Ajax sign to make it unique.

The letters will be made of aluminum and will be engineered and fabricated to withstand the outdoors and winter elements. The colour-changing LED lighting used to illuminate the letters will fit in with the overall look and feel of the Square, and will be programmable and customized so that they may be used to commemorate various days of significance, events, or celebrations such as Canada Day, Pride Month, National Indigenous Peoples Day, and so forth. The use of energy efficient LED lighting will help to minimize the energy consumption of the display.

Some of the key elements of the sign are highlighted as follows:

- 7 foot high aluminum 3D letters spelling "AJAX".
- Letters will be hollow to provide the ability to see through the letters and provide public interaction opportunities.
- Customizable LED lighting control including a feature to allow for lighting to pulse with the beat of the music during summer concerts at the Square.
- Custom designed base with lighting.

Due to the sheer scope of this project, and with quickly diminishing timelines, the Office of the CAO reached out to the funder to request an extension to the project deadline. As such, the project deadline has been extended to June 30, 2023.

The current Purchasing By-Law allows for purchases through negotiations, under certain conditions, more specifically, "where, at the discretion of the Department Head, in consultation with the Manager of Purchasing, it is deemed to be in the best interest of the municipality to negotiate with vendors." Upon reviewing the project with the Manager of Purchasing, it was agreed that to only option was to proceed with a single source to accomplish the project through the available grant timelines.

Staff began sourcing potential vendors and entered into negotiations with FASTSIGNS of Durham – Ajax/Whitby (FASTSIGNS). FASTSIGNS, a local Ajax company, will be the project manager and will provide a turnkey package to the Town which will include, design, build, and installation of the project. It is in the Town's best interest to use FASTSIGNS, not only due to the tight timelines to satisfy the requirements of the federal funding, but also due to their experience and expertise in the fabrication and installation of illuminated corporate signs, and for their established relationships with the required sub-contractors for all aspects of this project including design, structural engineering, lighting design and programming, fabrication, and installation.

Financial Implications:

Capital Account No. 1039811.5820 – 3D Ajax Letters Signature Sign

The 3D Ajax Letters Signature Sign is an unbudgeted capital project that has been advanced through funding from the Tourism Relief Grant.

Upon inspection of the infrastructure at Pat Bayly Square, several challenges have been identified pertaining to the current cabling of both data and cable wiring, requiring additional trenching and water-proofing for both power and data supply to the sign. As a result of this work, the project cost will exceed the value of the allocated grant and Town funding by $30,530.16 (net of HST rebate).

Tourism Relief Grant Funding		$150,000.00
Contract (net of HST rebate)	$209,572.87	
Contingency	$ 20,957.29	
		$230,530.16
Town Portion		**$80,530.16**

The contingency will be used for any unforeseen expenditures that may arise with regards to trenching, power and data access.

Funding not to exceed $80,530.16 will be allocated from Capital Contingency Reserve.

Should any other project funded by the Tourism grant come in under approved funding, the Town will allocate any additional grant funding to this project.

Communication Issues:

Recreation and Culture staff will work with the Office of the CAO to keep Council informed on the progress of the Ajax letters project as well as an official unveiling event, which will also be shared to the broader community through a variety of channels.

Relationship to the Strategic Plan:

This report aligns with the following section of the Strategic Plan:

Focus Area:	Connecting our Community
Goal:	Leveraging our arts and tourism opportunities
Action:	Promote and support art installations and provide creative spaces for artists to display and sell work.

Conclusion:

Creative placemaking and public art features are generally used to transform public spaces to strengthen the connections between people and these places, and thus strategically shapes the physical and social character of a space in order to spur economic development, promote social change, and improve a physical environment. Whether the project is big or small, successful creative placemaking projects attract people. Places that attract people also attract new business and other amenities, and the project becomes a catalyst for other improvements. The addition of the 3D Ajax Letters Signature Sign at Pat Bayly Square will further develop the space as a community gathering site for recreation and cultural pursuits.

It is the recommendation of staff that FASTSIGNS of Durham – Ajax/Whitby be awarded to contract for the 3D Ajax Letters Signature Sign as a single source purchase.

Town of Ajax Report

Report To:	General Government Committee
Prepared By:	Devon Jarvis, Supervisor of Communications & Engagement
Report #:	CAO-2023-02
Subject:	Council Ward Constituent Newsletter Update
Ward(s):	All
Date of Meeting:	March 20, 2023
Reference:	GGC Report, October 12, 2021 - Council Ward Constituent Newsletter Update - CAO-2021-11 GGC Report, June 14, 2021, - Update to Council Communications Tools & Support Policy - CAO-2021-07 GGC Report, December 20, 2019 - Council Communications Tools & Support Policy

Recommendation:

1. That Council approve Ward Constituent Newsletter A delivery option.

Background:

The Council Communications Tools & Support Policy distinguishes and outlines what support Regional and Local Councillors can expect and request from Corporate Communications in regards to engaging with constituents. As part of the Council Communications Tools & Support Policy, a Ward Constituent Newsletter is to be produced twice annually and distributed to Ajax residents by ward.

The Council Communications Tools & Support Policy, was first presented to Council on November 11, 2019. Council requested one portion of the policy, (the Ward Constituent Newsletter), to be referred back to staff to present additional options for comparison at the December 20, 2019 General Government Committee (GGC) meeting. During the December 20 meeting, staff were asked to conduct a trial to review the effectiveness and delivery method of the Ward Newsletter.

At the December 20, 2019 General Government Committee meeting, Council adopted Ward Newsletter ‘option A’, selecting a 11 x 17 (front and back) printed newsletter including ward and corporate messaging to be delivered via a door to door delivery service – the delivery option, posed a number of challenges. Challenges included: delayed delivery to some areas due to inclement weather and short-staffing from the Covid-19 pandemic, an area receiving the incorrect ward newsletter, and lack of communication and follow up from the delivery service vendor. Concerns were also raised regarding some areas not receiving a newsletter. At the

time, the delivery vendor confirmed that all flyers were delivered. However, there is a margin of error which can be accounted for about 10% of the overall delivery. This is an industry standard for all delivery services. As part of the delivery process, streets were randomly audited throughout Ajax to ensure the deliveries were made. According to their audit report and when compared to our internal GIS database, 339 of 816 residential streets (42%) were audited to confirm delivery.

Due to the above staff were requested to report back again and provide additional delivery options for the remaining Ward Constituent Newsletters for the 2018-2022 term, which included a 2021 fall edition and January 2022 edition to be produced and delivered.

At the June 14, 2021 GGC meeting, staff recommended Ward Constituent Newsletter "A" delivery option of delivery through Metroland (Ajax News Advertiser) for the remaining two newsletter deliveries (September 2021 and January 2022). However, Council opted for the Ward Constituent Newsletter "B" option of delivery through GTA Flyer Delivery, distributed by Canada Post and directed staff to report back on the delivery of the September edition.

The September 2021 edition of the Ward Constituent Newsletters were delivered on time to Ajax households during the week of September 20, 2021. At the time of delivery completion, the delivery company provided a stamped Canada Post receipt confirming the delivery of the 34,657 newsletters. There was an error of Ward 1 newsletters mistakenly delivered to a small area of Ward 2. The delivery company was responsive and rectified the delivery once made aware. As previously noted, there is a margin of error which can be accounted for about 10% of the overall delivery.

The January 2022 edition of the Ward Constituent Newsletters were delivered on time to Ajax houses during the week of January 24, 2022. At the time of delivery completion, the delivery company provided a stamped Canada Post receipt confirming the delivery of the 34,738 newsletters. There were concerns raised by Ward 1 and Ward 2 Council members of some streets not receiving the newsletter.

Discussion:

The following tables are provided for review for the Ward Constituent Newsletter delivery options for the 2022 – 2026 Council Term:

Ward E-Newsletter – Option A Electronic:

- Would be designed in-house, produced per ward twice annually and would be electronic only.
- Most economical option (limited staff resources and lowest cost)
- "Greenest" option, follows our commitment to the environment and reducing paper consumption.
- Option to print select amount for our community centres or for Coucillors to provide to residents who request a hard copy.
- Allows timely, direct and consistent communication with constituents.
- Would leverage Corporate Communications channels, networks and communities to increase reach and visibility. In addition, electronic ward newsletter data bases would also be utilized.
- Removes requirement of a work back schedule for councillor content as external printing and delivery deadlines would not have to be met and ultimately provides the most current content for residents.

- Most reliable delivery option

Ward Newsletter Delivery – Option B Metroland (Ajax News Advertiser):

- Would be designed in-house to be 11 x 17 (front & back) for print and online, produced per ward twice annually and would include ward and corporate messaging.
- Total print cost would be approximately $3,887.15
    - Ward 1 cost: $1,183.92
    - Ward 2 cost: $1,336.03
    - Ward 3 cost: 1,367.20
- Total delivery cost would be approximately $1,474.43
    - Ward 1 cost: $449.07
    - Ward 2 cost: $506.77
    - Ward 3 cost: $518.59
- Town of Ajax has worked and partnered with Metroland for over 15 years on the delivery of Ajax Today (homeowner newsletter) and numerous specialty campaigns without issue.
- Consistently provides the same level of service and reliability.
- Would be delivered within the weekly edition of the Ajax News Advertiser
- Some households have opted to request to not receive the Ajax News Advertiser
    - To consider: a household who has opted to not receive the News Advertiser may not want other types of newsletters being delivered.
    - Metroland is able to accommodate delivery to the houses who have opted to not receive the News Advertiser via Canada post for an additional $1,756
- Printing may be subject to increases.

Ward Newsletter Delivery – Option C CF&R Delivery:

- Would be designed in-house to be 11 x 17 (front & back) for print and online, produced per ward twice annually and would include ward and corporate messaging.
- Total print cost would be approximately $3,887.15
    - Ward 1 cost: $1,183.92
    - Ward 2 cost: $1,336.03
    - Ward 3 cost: 1,367.20
- Total delivery cost would be approximately $6,365.74
    - Ward 1 cost: $2,031.22
    - Ward 2 cost: $2,099.50
    - Ward 3 cost: $2,235.02
- Highest cost option
- New vendor that has not been used previously for this type of work for the Town.
- Printing may be subject to increases.
- Uses Canada Post for delivery, requires newsletter to be folded to 5.5 x 8.5
- Heavy work back schedule and firm deadline for Councillor content to meet printing and delivery deadlines.
- Cannot guarantee reliability of delivery through third party flyer delivery services; Council has previously expressed concerns with Canada Post delivery.
- Previous delivery through third-party organizations have posed challenges such as: subject to staffing and inclement weather delays, unreliability, communication issues, and significant Town staff time and resources used.

Ajax Today – Option D:

- Corporate newsletter, produced once annually.
- Low cost option.
- Consistent messaging.

Financial Implications:

To be determined based on Council option decision.

CORPORATION OF THE TOWN OF AJAX

CORPORATE POLICIES AND PROCEDURES

SUBJECT:

COUNCIL COMMUNICATIONS TOOLS & SUPPORT

COUNCIL ISSUED: 19/12/20	COUNCIL REVISED: 21 / 06 / 21	AUTHORED BY: Rachael Wraith	REVISION #: 2	Page 1 of 3	POLICY #: 145

1. POLICY OBJECTIVE

1.1. Outline the corporate communications tools available to councillors to inform and engage with constituents.

1.2. Overview of the communications support offered to councillors by Corporate Communications.

1.3. This policy continues to apply in an election year, subject to the *Use of Corporate Resources for Elections Purposes Policy*. In any case where these two policies conflict, the Use of *Corporate Resources for Elections Purposes Policy* shall prevail.

2. SCOPE

2.1. Regional and local councillors

2.2. Corporate Communications

2.3. Excludes support provided by the Manager of Strategic and Public Affairs, Senior Advisor, Government and Stakeholder Relations and Administrative Assistant – Council.

2.4. Excludes support provided to the Mayor.

3. Ward Constituent Newsletter

3.1. Produced by Corporate Communications twice annually, the four-page 11” x 17” (front and back, soft folded) newsletter is distributed to homeowners (by ward) and electronically via ward email contact list. In Year 4, only one edition (January 2022) will be produced to account for the next municipal election.

3.2. The newsletter is a joint communications piece between regional and local ward councillors. Individual councillor ward newsletters are not permitted.

3.3. Councillors are responsible for the ward specific content (pages 1-3) of each edition which must be provided to the Manager of Corporate Communications by the

established deadline. A work-back schedule will be provided to Council at the start of each calendar year in order to prepare.

3.4. Content provided by councillors must be timely, consistent with Town messaging and positions, and include no confidential information. Corporate Communications will review final content to ensure information is consistent and without error. All changes will be shared with councillors.

3.5. Corporate Communications is responsible for page 4 of each newsletter, which will include timely corporate information and news.

3.6. A newsletter template is used to ensure graphic consistency with our corporate brand standards, link the ward newsletters as a corporate initiative, and manage staff capacity.

3.7. The delivery of the ward newsletters will occur approximately the last week of January and September each year.

3.8. An electronic version of the ward newsletters will be provided to councillors for distribution through external social media channels. The newsletters will also be shared through the Town's corporate communications channels.

4. Website

4.1. Each councillor is profiled on the Town's corporate website (ajax.ca) on a dedicated page called Councillor Members (ajax.ca/councilmembers).

4.2. The standard councillor web profile includes a photo, contact information and biography.

4.3. The following enhancements may be requested:

4.3.1. Welcome video (only two updates permitted per term).
4.3.2. External links to constituent websites and social media accounts (excludes personal and election campaign sites).
4.3.3. Listing of Ward Constituent Newsletters.
4.3.4. Listing of Regional Council Reports.
4.3.5. Listing of approved Regional and Council Resolutions (must have been moved by or seconded by councillor).

4.4. Council Members are responsible for the setup and management of external constituent websites. Upon request, staff may provide content management, design support and functionality assistance. New constituent websites whose design, set-up, domain registration, and/or hosting are paid for by the Town are not permitted to be converted to an election website by a Member seeking re-election as they are the property of the Town.

5. Social Media

5.1. Each councillor is responsible for the setup and day-to-day management and monitoring of constituent social media accounts (Facebook, Twitter, Instagram, etc.). Upon request, the Social Media Communications Coordinator may provide guidance and assistance on functionality, content management, strategy, tutorials and opportunities. Excludes personal and election campaign accounts.

5.2. Corporate Communications, where appropriate, will tag councillor accounts in Town posts (content or images) for increased sharing of corporate messaging. Similarly, councillors are encouraged to tag Town accounts for increased sharing and profile.

5.3. Councillors have the **option** to provide constituent social media account information (admin support or full access) to the Social Media Communications Coordinator for enhanced support. Enhanced support includes:

5.3.1. Timely sharing of corporate messaging, including announcements, initiatives, projects etc., and Council pieces such as the Ward Constituent Newsletter.
5.3.2. Building online profile and presence.
5.3.3. Assisting with constituent requests/inquiries, when required.
5.3.4. Posting of councillor community and event photos/videos.
5.3.5. Posting of councillor-initiated graphics and videos.
5.3.6. Implement councillor-initiated social media campaigns.

6. Branding, Marketing & Public Relations

6.1. Upon request, Corporate Communications is available to provide the following branding, marketing and public relations services and expertise. Council members are encouraged to access and utilize available corporate communications supports before seeking the services of a third party provider.

6.1.1. Creative Services

Digital and creative support including branding, graphic, videography and photography support to promote and market initiatives councillors are championing. This could be at the local or regional level via committees, ward projects, and/or specific priorities that align with Council positions. Support includes strategy, messaging, digital production and distribution. Printing is charged to the Councillor(s) budget(s).

6.1.2. Online Communications

Content management, design support and functionality assistance for constituent social media accounts - Facebook, Twitter, Instagram, YouTube – (see section 5.1) and constituent websites (see section 4.4).

6.2. Any branding, marketing and public relations services provided by Corporate Communications cannot be used by a Member seeking re-election as they are property of the Town.

7. Advertising

7.1. Corporate Communications coordinates Council advertisements as required. These may include ads within the Town's weekly Community Page or specialilty greetings on behalf of all of Council. Upon request, Corporate Communications will assist with individual ad prep and placement subject to the *Council Expense Policy*. Council members are encouraged to notify Corporate Communications of ad placement to ensure alignment and consistency with corporate advertising, positions and messaging.

8. Media Relations

8.1. Corporate Communications may provide strategic media relations support to councillors wishing to seek publicity for priorities that align with Council positions. This includes coordinating media and photo opportunities and assisting with interview preparation. Refer to the Town's *Media Relations Policy* for media request procedures.

9. Ward Meetings

9.1. Refer to *Ward Meeting Policy.*

Temporary Sign By-law and Election Sign By-law Updates

Moved by: **Regional Councillor Lee**
Seconded by: **Mayor Collier**

WHEREAS Ajax Council has implemented a number of changes to Town by-laws in recent years to improve compliance with temporary and election sign regulations, including making investments in a new proactive enforcement program, in an effort to address waste, sightline issues on roadways, and other nuisance issues;

AND WHEREAS enforcement of these by-laws continues to require considerable time and effort from the Ajax By-law Services division;

AND WHEREAS Election Sign Deposit Programs are commonplace amongst Ontario municipalities as a means of improving compliance with Election Sign By-laws and recovering some of the cost of enforcement.

NOW THEREFORE BE IT RESOLVED THAT:

1. That staff be directed to bring forward a by-law to amend the Town's Temporary Sign By-law and Election Sign By-law, no later than May 2023, to:

    - Prohibit the use of mobile advertising devices that include the use of amplified voice or music and/or digital or animated lights, posters or images; and,
    - Remove any option for an individual to pay a recovery fee to the Town for the return of an impounded sign.

2. That staff investigate options for an "Election Sign Deposit" program that would require election candidates to pay the Town a deposit that can be drawn upon by the Town for the removal of all illegally placed election signs in the Town, and provide a report on same to General Government Committee by the end of 2023.

Utilizing Debentures for Major Purchases

Moved by: **Mayor Collier**
Seconded by: **Regional Councillor Lee**

WHEREAS to meet the needs of the community, the Town must invest in the purchase of vehicles and heavy equipment necessary for municipal operations;

AND WHEREAS the Town may purchase vehicles or heavy equipment using funds from discretionary reserves, or through some form of financing;

AND WHEREAS through the issuance of debentures, a type of long-term business debt, the impact of a major purchase can be spread out and lessen the immediate impacts to Town reserves;

AND WHEREAS the Town has a policy in place which dictates that the maximum term for debt may not exceed the expected useful service life of an asset (the Tangible Capital Asset policy);

AND WHEREAS reserves may be better leveraged for strategic investment over the life of the asset;

NOW THEREFORE BE IT RESOLVED THAT:

Staff be directed to report back to Council in June on the feasibility of purchasing vehicles and equipment over $100,000 through the issuance of debentures to ensure fulsome leveraging of Town reserves.

Support for Bill 5 - Stopping Harassment and Abuse by Local Leaders Act

Moved by: **Regional Councillor Crawford**
Seconded by: **Councillor Henry**

WHEREAS currently the most severe penalty that can be imposed on an elected official is suspension and loss of pay for 90 days, even in cases of workplace harassment or abuse;

AND WHEREAS there is currently no process to remove an elected official from office, even in cases of confirmed workplace harassment or abuse;

AND WHEREAS a fundamental, underlying principle of broadening diversity, equity and inclusion in politics rests on the assumption that the workplace is safe;

AND WHEREAS Bill 5, the Stopping Harassment and Abuse by Local Leaders Act would require all elected officials to comply with the workplace violence and harassment policies of the municipality they represent, permit a municipality to direct the Integrity Commissioner to apply to the court to vacate a member's seat for failing to comply with the municipality's workplace violence and harassment policies as well as restrict officials whose seat has been vacated from seeking re-election in any resulting by-election;

AND WHEREAS at least 27 municipalities have formally endorsed and communicated public support for Bill 5, including Ottawa, Hamilton, London, Barrie, Orillia, and Richmond Hill;

AND WHEREAS Bill 5 would both hold accountable and protect all municipal officials;

NOW THEREFORE BE IT RESOLVED THAT:

- Ajax Council express its support for Bill 5, Stopping Harassment and Abuse by Local Leaders Act; and

- A copy of this motion be circulated to the Hon. Doug Ford, Premier of Ontario, Patrice Barnes, MPP for Ajax, and the Association of Municipalities of Ontario.

A Call to the Provincial Government to End Homelessness in Ontario

Moved by: **Regional Councillor Dies**
Seconded by: **Regional Councillor Crawford**

WHEREAS the homeless crisis is taking a devastating toll on families and communities, undermining a healthy and prosperous Ontario;

AND WHEREAS the Built for Zero Report Card, a monthly snapshot of homelessness in Durham Region, identifies at least 286 people were experiencing homelessness in January 2023, including 43 in Ajax;

AND WHEREAS the homelessness crisis is the result of the under investment and poor policy choices of successive provincial governments;

AND WHEREAS homelessness requires a range of housing, social service, and health solutions from government;

AND WHEREAS homelessness is felt most at the level of local government and the residents that they serve and while municipalities are doing their part, they do not have the resources, capacity or tools to address this complex challenge;

AND WHEREAS Ajax is addressing the homelessness issue by providing space to the Region for a temporary emergency shelter, as well as through the Homelessness Task Force, programs and services at the Ajax Library, the Ajax Locker Program, and various partnerships, all in addition to the hundreds of thousands of dollars contributed to homelessness issues through the Ajax Mayor's Gala;

AND WHEREAS the Association of Municipalities of Ontario (AMO) is calling for leadership and urgent action from the provincial government on an emergency basis to develop, resource, and implement a comprehensive plan to prevent, reduce and ultimately end homelessness in Ontario.

NOW THEREFORE BE IT RESOLVED THAT

- Ajax Council supports AMOs request that the Provincial Government urgently:

    a. Acknowledge that homelessness in Ontario is a social, economic, and health crisis.
    b. Commit to ending homelessness in Ontario; and
    c. Work with AMO and a broad range of community, health, Indigenous and economic partners to develop, resource, and implement an action plan to achieve this goal.

- A copy of this motion be sent to the Minister of Municipal Affairs and Housing; the Minister of Children, Community and Social Services; the Minister of Health; the MPP for Ajax; the Regional Chair for Durham; and to AMO

THE CORPORATION OF THE TOWN OF AJAX

BY-LAW NUMBER 09-2023

Being a by-law to licence and regulate the operation of
private transportation services in the Town of Ajax.

WHEREAS Section 8(1) of the Municipal Act 2001, S.O. 2001, c. 25, as amended (the “Act”) provides that the powers of a municipality under this or any other Act shall be interpreted broadly so as to confer broad authority on the municipality to enable the municipality to govern its affairs as it considers appropriate and to enhance the municipality’s ability to respond to municipal issues;

AND WHEREAS under Subsection 8(3) of the Act the by-laws of a municipality may regulate or prohibit regarding a certain matter, and may require a person to do certain things or provide for a system of licences respecting that matter;

AND WHEREAS Section 11 of the Act provides that a lower-tier municipality may pass by-laws respecting the health, safety and well-being of persons and respecting the protection of persons and property, including consumer protection;

AND WHEREAS Section 151 of the Act provides that without limiting Sections 9, 10, and 11 of the Act, a municipality may provide for a system of licences with respect to a business;

AND WHEREAS Section 156 of the Act provides further authority for the licensing, regulating and governing of the owners and drivers of taxicabs;

AND WHEREAS Section 391 of the Act enables a municipality, without limiting Sections 9, 10 and 11 of the Act, to pass a by-law imposing fees or charges for services or activities provided or done by or on behalf of it;

AND WHEREAS the Council of The Corporation of the Town of Ajax has determined that it is appropriate and desirable to license taxicabs and transportation network companies for the purpose of ensuring the health and safety of both passengers and drivers, for the protection of persons and property, and to ensure consumer protection;

3. LICENCE APPLICATION, SUSPENSION AND REVOCATION

Application - All Licences

3.1. Every applicant for a licence shall complete such licence application forms as may be provided from time to time by the Licensing Officer in accordance with the requirements of this By-law and shall provide all information requested thereon.

3.2. In the case of an applicant that is a partnership the application shall be signed by all of the partners and in the case of an applicant that is a corporation, application shall be made by an officer of the corporation and not by an agent thereof.

3.3. At the time of submission of an application, every applicant for a taxicab owner or TNC licence shall pay to the Town the fee set forth in the Town's Charges and Fees By-law. Such fee shall not be reduced in the event that the period for which the Licence is granted is less than one year.

3.4. At the time of submission of an application, every applicant for a taxicab drivers licence shall pay to the Town the fee set forth in the Town's Charges and Fees By-law. Such fee will be reduced and prorated on a monthly basis if the taxicab driver is not renewing a licence and was not licenced in the previous calendar year.

3.5. Receipt of the application and/or the licence fee by the Town shall not represent approval of the application for the issuance of a licence nor shall it obligate the Town to issue such licence.

3.6. Without limiting the generality of any other provision in this By-law, persons associated in a partnership applying for a licence under this By-law shall file with their application a statutory declaration, in writing, signed by all members of the partnership, which declaration shall state:

(a) the full name of every partner and the address of his ordinary residence;
(b) the name or names under which they carry on or intend to carry on business;
(c) that the persons therein named are the only members of the partnership; and
(d) the mailing address for the partnership.

3.7. Without limiting the generality of any other provision in this By-law, every corporation applying for a licence shall file with the Licensing Officer, at the time of making its application, a copy of its articles of incorporation or other incorporating documents and shall file a statutory declaration, in writing signed by an officer of the corporation, which declaration shall state:

(a) the full name of every shareholder and director and the address of his ordinary residence;
(b) the name or names under which it carries on or intends to carry on business;
(c) that the persons therein named are the only shareholders of the corporation;
(d) the mailing address for the corporation.

3.8. The Licensing Officer shall issue the licence only where;

(a) all the information which the applicant is required to provide under this By-law has been provided, and verified;
(b) all the documents which the applicant is required to provide under this By-law have been provided;
(c) the licence fee is paid;
(d) the investigations do not disclose that the issuing of such licence may be adverse to the public interest; and
(e) the Licensing Officer has no grounds to believe the applicant will not conduct themselves in accordance with the law or with honesty and integrity.

3.9. The Town will deem all CRCs and Driver's Abstracts that are free of convictions as clear, for the purposes of approving the application. CRC's and/or driver's abstracts that contain convictions will be processed on a case by case basis, with consideration to how long ago the conviction was registered and the nature of the conviction in relation to public safety.

3.10. Every taxicab owner, TNC, and taxicab driver shall notify the Town forthwith in the event of any change to the status of their driver's abstract or CRC during the term of a licence.

Application - Taxi Driver's Licences

3.11. Every applicant for a taxicab driver's licence shall provide the Licensing Officer with:

(a) a valid Province of Ontario Driver's Licence issued to the applicant that does not prohibit them from operating a motor vehicle for hire or reward;
(b) a CRC which is dated within thirty (30) days of the date of application for taxicab driver's licence;

(c) a driver's abstract which is dated within thirty-six (36) days of the date of application for taxicab driver's licence;

Application - Taxi Owner's Licence

3.12. All applicantions for a taxicab owner's licence shall include:

(a) a motor vehicle safety standards certificate, dated not more than thirty-six days prior to the date of the application, issued by an authorized vehicle inspection station for the taxicab in respect of which the applicant seeks to be licensed;
(b) proof of ownership of the taxicab; and
(c) a Certificate of Insurance insuring each taxicab and covering public liability and property damage in a minimum amount of $2,000,000.00 inclusive per occurrence, including the Town named as an Additional Insured party.

Application – TNC

3.13. An application for a new TNC Licence or a renewal of a TNC Licence shall be accompanied by:

a) the address and contact information of the TNC's registered business address in the Province of Ontario, which is not a post office box, to which the Town may send during business hours any notice or documentation or communication that may be required under this By-law and at which the applicant or the applicant's agent will accept receipt of such notice,

f) Every TNC shall produce proof of any TNC Driver's insurance coverage to the Town upon request of a Licensing Officer.

Taxicab Insurance

3.15. The following insurance requirements shall apply:

a) Every taxicab owner shall obtain and maintain an Automobile Insurance Policy insuring the taxicab and covering public liability and property damage in a minimum amount of $2,000,000.00 inclusive per occurrence. The owner shall produce annually to the Town a valid Certificate of Insurance issued by the insurer, or the insurer's agent. The policy shall include the Town as an Additional Insured.

b) The commercial general Liability policy shall be in the name of the taxicab owner and the Town of Ajax shall be included as an additional insured.

c) The insurance coverage required shall include a provision that requires the insurer to provide the Town with no less than 10 days prior written notice of any cancellation or variation to the policy.

d) Every taxicab owner shall produce proof of insurance coverage to the Town upon request of a Licensing Officer.

Licence Issuance, Suspension and Revocation

3.16. Where the Licensing Officer determines that a licence should not be issued as a result of any matter in Sections 3.1 to 3.15 of this By-law they shall notify the applicant.

3.17. Where an applicant advises the Licensing Officer in writing, that they dispute the determination made by the Licensing Officer under Section 3.16 of this By-law or

submits that the licence applied for should be issued despite that determination, the matter shall be referred forthwith by the Licensing Officer to the Committee which shall hear representations from the Licensing Officer and the applicant.

3.18. The Committee may authorize the Licensing Officer to issue the licence where it determines that the determination in Section 3.16 of this By-law, is not sufficient to justify refusing to issue the licence.

3.19. Where the Committee determines that a licence should not be issued the Licensing Officer shall advise the applicant of such determination.

3.20. The Licensing Officer may revoke a licence referred to in this By-Law if the licencee has been convicted of an offence which is a contravention of this By-Law.

3.21. The Licensing Officer shall notify a licencee, by registered mail, at their last known address or business address on record when;

(a) they have cause to believe, on reasonable grounds, that any of the information which the licencee, as an applicant or a licencee, is required to provide, including any verification thereof, is inaccurate;
(b) the licencee has been convicted of an offence which is a contravention of this By-law;
(c) their insurer has advised that the insurance required under this By-law has been cancelled or will not be renewed; or
(d) a taxicab or a TNC vehicle in respect of which they are licensed is no longer roadworthy or has been impounded;

that unless the inaccuracy, conviction, revocation, cancellation, or contravention is corrected, overturned, or reinstated within thirty days, the licence shall be revoked.

3.22. Where a licencee advises the Licensing Officer, in writing and within thirty days that they disputes the revocation of the licence, the matter shall be referred forthwith, to the Committee, which shall hear representations from the licencee and either confirm the revocation of the licence or reinstate the licence as it sees fit.

3.23. The Licensing Officer may immediately suspend, without a hearing, a licence referred to in this By-Law if the Licensing Officer is satisfied that the continuation of the business poses an immediate danger to the health or safety of any person or to any property subject to the following:

(a) before suspending the licence, the Licensing Officer shall provide the licencee with the reasons for the suspension, either orally or in writing, and an opportunity to respond to them.
(b) The suspension shall not exceed 14 days.

3.24. Where an Licencee advises the Licensing Officer in writing, that they disputes the determination made by the Licensing Officer under Section 3.20 of this By-law or the Licencing Offer determines that the suspension should exceed 14 days, the matter shall be referred forthwith by the Licensing Officer to the Committee which shall hear representations from the Licensing Officer and the Licencee.

3.25. The Committee may authorize the Licensing Officer to reinstate the licence, with any conditions as the Committee deems appropriate, or may continue the suspension for a longer period of time or may determine to revoke the licence.

3.26. The Licensing Officer shall notify the Licencee, in writing, of the decision of the Committee.

Nature of Licence

3.27. Where a licence has been issued under this By-law every person or owner shall comply with any conditions imposed on the licence.

3.28. The licences required by this By-law shall, unless they are expressed to be for a shorter or longer time, be for a period up to and including the 31st day of December in the year of issuance, unless they are sooner forfeited or revoked.

3.29. Any licence that has not been renewed as of December 31st in the year of its issuance or renewal shall expire on January 1st in the year following its issuance or renewal.

3.30. Upon the expiry, revocation or suspension of a licence the licencee shall return to the Town the licence and, if the licence is an owner's licence, the taxicab plate.

3.31. No person shall refuse to deliver an expired, revoked or suspended licence or a taxicab plate to a Licensing Officer.

4. GENERAL

4.1. No person shall operate a taxicab in the Town as a driver unless that person has obtained a taxicab driver's licence issued by the Town and said licence has not been suspended, revoked or expired.

4.2. No owner or person shall operate or permit to be operated a taxicab in the Town unless that owner has obtained a taxicab owner's licence and said licence has not been suspended, revoked or expired.

4.3. No person or TNC shall operate or permit to be operated a TNC vehicle unless that TNC has obtained a TNC licence and said licence has not been suspended, revoked or expired.

5. DUTIES OF TAXICAB DRIVERS

5.1. Every taxicab driver shall;

(a) at all times when operating a taxicab have their Town taxicab driver's licence in their possession and produce such licence upon request, to any passenger and to a Licencing Officer;

(c) drive any taxicab unless the owner has been issued a licence;

(d) drive any taxicab unless it is in good condition.

5.3. When a taxicab driver uses a taxicab for transportation of passengers for no gain or reward or the taxicab is being tested or inspected, the driver shall;

(a) remove the roof light from the taxicab; and

(b) place the taximeter in a non-recording position.

5.4. When a passenger first enters a taxicab, the taxicab driver shall immediately place the taximeter in a recording position and keep it in a recording position throughout the trip.

5.5. Every taxicab driver shall take the shortest possible route to the destination desired by the passenger unless the passenger designates another route.

5.6. No taxicab driver shall charge a passenger more than the lesser of the fare displayed on the taximeter at the conclusion of the trip or the flat rate agreed upon by the driver and passanger before the start of the trip. If the taxicab driver and the passenger agree before the start of the trip to a flat rate, the taximeter must be in a recording position at all times during all aspects of the trip that occur within the Town and the cost of the trip shall be the lesser of the two amounts.

5.7. When requested by a passenger to do so, a taxicab driver shall provide the passenger with a receipt, showing the amount of the rate or fare, the taxi company's name, the driver's name, date and time and taxicab plate number. This receipt shall be legible.

5.8. Except as otherwise provided in this By-law, no taxicab driver shall charge more for a trip than the fare shown on the taximeter, together with any applicable additional rates authorized by Town's Charges and Fees By-law.

6. DUTIES OF TAXICAB OWNERS

6.1. Where a taxicab owner disposes of their taxicab and acquires a replacement taxicab, they shall, before operating the replacement taxicab or permitting it to be operated as a taxicab:

(a) submit the replacement taxicab to the Town for a taximeter inspection and provide the original documentation required under this By-law, and

(b) produce an original motor vehicle safety standards certificate respecting the replacement taxicab.

6.2. Every taxicab owner shall ensure that the taxicab plate is affixed to the rear of the taxicab prior to its operation.

6.3. Every taxicab owner shall ensure that the taxicab plate is only affixed to the taxicab for which the licence was issued and shall ensure the taxicab plate is not affixed to a different taxicab or vehicle.

6.4. Every taxicab owner shall;

(a) submit any taxicab for inspection at any time as required by a Licensing Officer and;
   i. Shall forthwith turn over the taxicab plate to a Licensing Officer in the event the taxicab fails to meet any requirements set out in this By-law or any other Provincial Statute.
   ii. The taxicab plate shall be returned only when a valid Safety Standards Certificate is produced and shown to a Licensing Officer.

(b) ensure that the following documents, or mechanically reproduced copies thereof, are kept at all times in their taxicab;
   i. the current provincial motor vehicle registration
   ii. the current insurance for the taxicab;
   iii. the current Town tariff card;
