Councillor Bower reviewed the contents of the motion and discussed the negative impact of the proposed rent increases on residents at 33 and 77 Falby Court. Members of Council discussed the motion and shared their concerns with the proposed rent increases at the two properties.

Moved by: L. Bower
Seconded by: J. Dies

WHEREAS safe, good quality and affordable rental spaces are critical to a sustainable, balanced housing supply in Ajax; and

WHEREAS rental percentage increases on properties 33 and 77 Falby Court of 6.3% and 6.4% respectively have been requested by the property owners Homestead Land Holdings Ltd., which are in excess of the provincial guideline increase of 1.8%; and

WHEREAS above guideline rent increases (AGIs) are sought under the Residential Tenancy Act, and sometimes used as a tool to procure vacancies in established properties. An AGI was requested as a result of capital infrastructure improvements made to the properties, which is now before the Landlord and Tenant Board for a decision; and

WHEREAS this level and extent of AGI notice came as a surprise to tenants, and a lack of communication is increasing tenant uncertainty and insecurity;

NOW THEREFORE BE IT RESOLVED THAT Ajax Council strongly encourages Homestead Land Holdings Ltd. to provide uniform, accurate and timely updates to residents in a public meeting format to ensure questions are addressed and a solution is reached; and

THAT Ajax Council supports Falby Court tenants' position that rental pricing increases need to be incremental to ensure long-term affordability for all residents; and

THAT this resolution be forwarded to Homestead Land Holdings Ltd., the Landlord and Tenant Board, Hon. Rod Phillips (MPP Ajax), the Regional Municipality of Durham, and all local municipalities in Durham Region.
