Present:	Chair - Councillor	R. Tyler Morin, Chair
	Regional Councillors	M. Crawford
		S. Lee (exited at 4:34 p.m.)
		J. Dies
	Councillors	A. Khan
		L. Bower
	Mayor	S. Collier (exited at 4:21 p.m.)

1. Call to Order

Chair Tyler Morin called the meeting to order at 1:00 p.m.

2. Disclosure of Pecuniary Interest

There were no disclosures of pecuniary interest.

3. Adoption of Minutes

3.1 Regular Meeting

Moved by: L. Bower

That the Minutes of the regular meeting of the General Government Committee held on January 20, 2020 be adopted.

CARRIED

3.2 Closed Session

Moved by: S. Lee

That the Minutes of the Closed Session of the General Government Committee held on January 20, 2020 be adopted.

CARRIED

4. Consent Agenda

Members separated item 4.1 for discussion.

4.1 2019 Annual Report of the Integrity Commissioner

Committee Members asked questions regarding the cost of Integrity Commissioner services for 2019, activity levels of the Town's Integrity Commissioner compared to other municipalities, and current time limitations for submission of complaints to the Integrity Commissioner. Nicole Cooper, Director of Legislative & Information Services / Town Clerk, responded to questions from Committee Members and reviewed 2019 costs, comparison of activity levels among other municipalities, and the Town's complaint procedures.

Moved by: A. Khan

That the 2019 Annual Report of the Integrity Commissioner be received for information.

CARRIED

5. Discussion

None

6. Presentations

6.1 Pickering Casino Update and Opening Transportation Management Plan Presentation

John Grieve, Supervisor of Transportation, introduced Tim Arnott, Traffic Consultant, BA Consulting Group Ltd., who delivered a presentation regarding the Transportation Master Plan for the Pickering Casino. Mr. Arnott discussed the objectives of the plan, key stakeholders, responsible authorities, opening event characteristics, casino activity, on-site and off-site resources, street network and traffic flows, site access and circulation, on-site and off-site parking strategy, transit strategy, emergency services strategy, signage, traffic control and monitoring, police deployment, and communications strategy.

Committee Members asked questions and raised concerns regarding traffic impacts on Bayly Street and Church Street, scheduled opening of the on-site hotel and entertainment facilities, communication of the Church Street southbound road closure, satellite locations for shuttle services, estimated counts of vehicles and visitors, signage and messaging, impacts on surrounding areas, future road widenings and infrastructure improvements, redeployment of Transportation Master Plan strategies after the opening period, staff and parking resources available on opening day, traffic monitoring to be deployed, effects of the approved minor variances on opening day activities and capacity, long-term impacts on the surrounding area, and the Town's communications strategy. Mr. Arnott and Ian Nielson, Manager, Security Operations, Pickering Casino Resort, responded to questions from Committee Members and discussed traffic flow design, diversion of southbound traffic from Church Street, scheduled opening of the hotel and entertainment facilities, use of satellite locations for shuttles including Casino Ajax and the Ajax GO Station, vehicle

and visitor estimates for opening day and first two weeks, maximum capacity of the casino facility and number of gaming positions, maximum on-site parking capacity, shuttle and transit routes to the site, future road widenings and infrastructure enhancements, ongoing monitoring of traffic flows, and advertising for opening day.

Moved by: L. Bower

That the 'Pickering Casino Update and Opening Transportation Management Plan' presentation be received for information.

CARRIED

Motion to Recess

Moved by: A. Khan

That the Committee recess for five minutes.

CARRIED

The Committee meeting recessed at 3:53 p.m.

The Committee meeting resumed at 3:59 p.m.

6.2 Energy Conservation and Demand Management Plan 2019 Update

Lindsay Sinclair, Capital Projects Coordinator, delivered a presentation regarding the Energy Conservation and Demand Management Plan 2019 Update. Ms. Sinclair discussed the purpose of the plan, regulatory requirements, results, 2018 greenhouse gas (GHG) emission sources, 2011 vs. 2018 GHG emissions, implemented energy reduction initiatives for facilities, outdoor lighting, and fleet activities, Ajax Community Centre highlights, proposed measures for energy conservation, policy education and awareness, and implementation of the plan.

Committee Members asked questions regarding potential further reductions to GHG emissions from the Ajax Community Centre, costs and savings from LED streetlight retrofits, and sustainability initiatives. Ms. Sinclair and Catherine Bridgeman, Director of Operations and Environmental Services, responded to questions from Committee Members.

Moved by: J. Dies

That Council approve the Energy Conservation and Demand Management Plan 2019 Update.

CARRIED

Mayor Collier exited the meeting at 4:21 p.m.

6.3 #GetAjaxMoving - Transportation Awareness Campaign Update

Armi de Francia, Active Transportation Coordinator, delivered a presentation regarding the #GetajaxMoving Transportation Awareness Campaign. Ms. de Francia discussed the

2019 Transportation Awareness Campaign, benefits of active transportation, addressing barriers, results, and next steps.

Committee Members asked questions regarding the #GetAjaxMoving campaign and school activity programs. Ms. De Francia responded to questions from Committee Members.

Moved by: S. Lee

That the report entitled "#GetAjaxMoving – Transportation Awareness Campaign Update" be received for information.

CARRIED

Regional Councillor Lee exited the meeting at 4:34 p.m.

6.4 Community Safety Zone and Automated Speed Enforcement

John Grieve, Supervisor of Transportation, delivered a presentation regarding Community Safety Zones (CSZ) and Automated Speed Enforcement (ASE). Mr. Grieve discussed the background and history of CSZ initiatives at the Town, purpose and implementation of CSZs, scoring criteria for potential CSZ locations, current and proposed locations, signage requirements, ASE legislation and regulatory requirements, ASE deployment considerations, best practices and lessons learned from other municipalities, financial implications, and next steps.

Committee Members asked questions regarding engagement with Durham Regional Police Service for enforcement of Community Safety Zones, scoring analysis, and recommended locations. Mr. Grieve responded to questions from Committee Members.

Moved by: M. Crawford

1) That the report entitled "Community Safety Zones and Automated Speed Enforcement" be received for information;

2) That the process to establish Community Safety Zones outlined in this report be endorsed for use by Town staff in the future to evaluate potential zones in the Town of Ajax;

3) That staff prepare the appropriate amendments to the Traffic By-Law for the inclusion of the new Community Safety Zones for an upcoming Council Meeting;

4) That staff be directed to install Community Safety Zone signs in the newly established zones;

5) That staff be directed to complete other associated tasks including, but not limited to, sign installation and site preparation in each Community Safety Zone in advance of the potential implementation of Automated Speed Enforcement in the future;

6) That staff be directed to monitor the implementation and lessons learned by other Municipalities in Ontario who have deployed Automated Speed Enforcement; and

7) That staff report back to Council with an update on lessons learned from other Municipalities who have deployed Automated Speed Enforcement and outline the details of a potential Town of Ajax Automated Speed Enforcement in time for consideration in the 2021 Capital Budget.

CARRIED

7. Closed Session

None

8. Adjournment (4:50 p.m.)

Moved by: A. Khan

That the February 18, 2020 meeting of the General Government Committee be adjourned.
