Report #:	CAO-2022-02
Subject:	**2022 Council Member Remuneration**
Ward(s):	
Date of Meeting:	March 21 2022
Reference:	Council Remuneration By-Law

Recommendation:

That the attached 2020 Council Remuneration By-Law be brought forward to the March 28, 2022 Council Meeting for approval.

Background:

Based on the recommendations of a citizen's committee, Council established a process for setting their remuneration in 2008. HR Services conducts an annual survey of salaries and other allowances/payments provided to members of Council in the Durham Region (specifically the municipalities of Pickering, Whitby, Oshawa and Clarington). Salary, travel allowance and other entitlements are based on the average of the comparator municipalities.

The last review of Ajax Council members' remuneration was completed in March of 2020, prior to the emergency declarations by the Province of Ontario and the municipality due to the COVID-19 pandemic. In October, Council directed staff to freeze Council members' salary, travel allowance, and benefits for 2021 at the approved 2020 rates;

In February 2022, HR Services completed a comprehensive comparative review of remuneration for Members of Council, including travel allowance, retirement benefits and ancillary health benefits and their associated costs with the lakeshore municipalities. There were nominal changes to salaries and vision care benefits as outlined in the recommendation below.

Discussion:

The analysis of the survey data completed by staff and recommended changes are detailed in this report.
