### 4.1 AFES-2021-01: May 2021 Ajax Fire & Emergency Services Fire Master Plan (FMP) and May 2021 Community Risk Assessment (CRA)

David Lang, Fire Chief, introduced Darryl Culley, President, Emergency Management & Training Inc., who delivered a presentation overviewing the contents of the report including the Fire Master Plan (FMP) framework, overview of the 2012 FMP, development of the 2021 FMP, Community Risk Assessment (CRA) legislative requirements, performance measures/standards, lines of defense, and challenges. D. Culley reviewed the priority recommendations contained within the FMP.

Committee Members asked questions regarding the 2012 FMP recommendations, budget implications, CRA requirements, high-rise fire response, fire training tower revenues, fire suppression staffing requirements, standards and levels of service. Committee Members asked further questions regarding timelines associated with short-term recommendation

targets, location gaps, dispatch protocols, fire protection agreements including mutual aid triggers, fire fleet size, the Safe Haven community safety initiative, emergency management training requirements, cost-sharing opportunities across the Region through amalgamation of services, and support from paramedic services. D. Lang, D. Culley, Shane Baker, Chief Administrative Officer, and Aaron Burridge, Deputy Fire Chief, responded to questions from Committee Members.
