9. Business Arising from Notice of Motion

9.1 **Accessible On-Street Parking**

Councillor Henry and Councillor Bower introduced the motion and reviewed its

contents.

Moved by: N. Henry
Seconded by: L. Bower

Whereas, accessible parking permits and designated parking spaces support an inclusive society within the municipality that supports and accommodates the needs of per-sons with disabilities; and

Whereas, accessible parking ensures equitable access for individuals with disabilities, including those who use wheelchairs or mobility devices, those who cannot walk without assistance, and those with certain respiratory, cardiac, or neurological conditions, enabling participation in everyday activities; and

Whereas, municipalities such as City of Oshawa (max 4 hours), City of Toronto (max 24 hours), and City of Hamilton (max 12 hours) permit extended on-street parking for vehicles displaying a valid accessible parking permit; and

Whereas, modern accessibility standards recognize that the needs of Accessible Parking Permit holders extend beyond proximity to a building entrance, and include the ability to safely load and unload mobility devices, enter and exit vehicles, and navigate their im-mediate environment without barriers; and

Whereas, many residents with disabilities face barriers within their own driveways, including steep grades, narrow widths, obstructive landscaping, or driveways that cannot accommodate accessible vans, side loading ramps, or larger mobility adapted vehicles, making on street parking a safer and more functional option for some permit holders;

Therefore, be it resolved:

1. That vehicles displaying a valid accessible parking permit may park for up to six (6) hours in areas where a general on-street parking limit of three (3) hours applies, unless otherwise signed; and

2. That vehicles displaying a valid accessible parking permit shall continue to comply with all other Town parking by-laws and restrictions, including, but not limited to:

    - No-stopping zones
    - No-parking zones
    - Paid Parking Programs
    - No parking between 1 and 5 a.m. without an occasional-use parking permit
    - No Parking over a sidewalk or boulevard
    - No Parking within 15 metres of an intersection
    - No Parking within 3 metres of a fire hydrant
    - No Parking within 1.25 meters of a private driveway
    - Parking restrictions in effect during a snow event
